

Fandom Wedding Checklist™

Personalize Your Apparel

The Main Attire: Style your clothes after favorite characters, like a Disney-inspired ballgown or a Marvel-themed waistcoat.

The Party: Coordinate your bridesmaids & groomsmen with your fandom, like a Renaissance royal court or D&D adventurers.

Subtle Accessories: Integrate "Easter eggs" like superhero cufflinks, or florals in a character's signature color.

Transform Your Space

The Ceremony "Portal": Use an archway to represent a "thin place" where worlds meet, like The Gardens Cruck Frame.

Natural Elements: Use greenery or flowers to bring out elements of your fandom.

Identify Your "Anchor" Aesthetic

Signature Palette: Choose colors that represent your fandom (Marvel = bold reds & golds, Disney = regal pastels).

Architectural Inspiration: Look for venue features that match, like Timber structures for Elven architecture or a cathedral-style tent for a royal ballroom under the stars.

Symbolic Icons: Select meaningful items to repeat (A hidden Mickey, shield-shaped seating charts, or wax-sealed parchment menus).

Design the Guest Experience

The Social Hub: Arrange seating, such as long timber trestle tables, to evoke a medieval feast, or create a central dance floor for a fairytale ballroom.

Themed Signage: Rename stations using fandom locations like Asgard, Wonderland, etc...

Menu and Favors: Include "in-universe" treats, like themed signature cocktails or local honey mead for a historical touch.
